Recping step with the largest con-cerns in the world, the Santa Fe rail-road has posted a bulle in that all employes of the railroad who were called for duty in the national guara will have their positions held open for them until they return and a copy of the order has been received by the local office.

cal office.

The official communication, which The official communication, which is signed by E. P. Ripley, president of the road, read as follows. Any of our employes who are members of the various bodies of the national guard and respond to the call to arms should be assured that their positions will be held oren for them on their return, previded they are physically able to recenter the service in the same capacity. If they arone able to take up their former dutice, every effort will be made to find them work in some other department of the road.

Inasmuch as there are only about two Santa Fe employes in Tules, the order does not carry much weight, as far as the local situation is concerned. The Chicago, Milwaukee & St. Paul railroad also has made such a proposition to its employes.

Wilson Awaiting Final Communication From Pershing.

WASHINGTON, June 24 - A per-emptory demand that General Carranza repudiate the attack on American troops at Carriazi and immediately release all captured American soldiers was understood tonight to be the next step in the Mexican crists now contemplated by the Washington government.

Failure to comply with either demand would result in the gravest consequences, foretold in Secretary Lansing's recent note to the de facto government.

Formulation of a communication awaited a final report from General Pershing on the Carrizal incident. Pending its receipt the war department pressed urgently today its efforts to reinforce strongly the horder patrol and prepare for any eventu-
